(Important: This appendix must be included in advertisement of budget.)

2018 CAPITAL BUDGET AND CAPITAL IMPROVEMENT PROGRAM

This section is included with the Annual Budget pursuant to N.J.A.C. 5:30-4. It does not in itself confer any authorization to raise or expend funds. Rather it is a document used as part of the local unit's planning and management program. Specific authorization to expend funds for purposes described in this section must be granted elsewhere, by a separate bond ordinance, by inclusion of a line item in the Capital Improvement Section of this budget, by an ordinance taking the money from the Capital Improvement Fund, or other lawful means.

CAPITAL BUDGET

- A plan for all capital expenditures for the current fiscal year. If no Capital Budget is included, check the reason why:

Total capital expenditures this year do not exceed \$25,000, including appropriations for Capital Improvement Fund, Capital Line Items and Down Payments on Improvements.

No bond ordinances are planned this year.

CAPITAL IMPROVEMENT PROGRAM

_	 A multi-year list of planned capital projects, including the current year.
	Check appropriate box for number of years covered, including current year

3 years. (Population under 10,000)

years. (Exceeding minimum time period)

Check if municipality is under 10,000, has not expended more than \$25,000 annually for capital purposes in immediately previous three years, and is not adopting CIP.

1

NARRATIVE FOR CAPITAL IMPROVEMENT PROGRAM

The projected listed Capital Improvements are unfunded until the governing body budgets such funds in a future budget or authorizes a Bond Ordinance for such purposes. All figures are estimates and future projects must be calculated following NJ purchasing laws for exact amounts.
